

## Animal Report Procedures

Assigned: \_\_\_\_\_ May 3rd \_\_\_\_\_

Due: \_\_\_\_\_ May 28th \_\_\_\_\_

\*\* this is an independent project that is to be done at home. No late projects will be accepted. \*\*\*

1. Choose an animal native to our area -Northeast Region of the United States.

2. The following are the elements to be covered in the report...

Appearance

Behavior

Family structure

Habitat- Geographical and Specific

Food and Predators/Prey

Adaptation to seasons

Fun Facts (5-7 please)

You will need the following:

\* 7 5"x8" index cards

\* one file folder

For the report you will need to do following:

- artwork for the front cover- I would prefer drawings or photographs (when possible), but will accept computer pictures.
- Information for the 7 topics- you will write/type one paragraph for each topic and put upside down on your index card.
- Tape the index cards upside down, in order, to the inside right of your folder. Put your name/class on the tab. (See Ms. Perry for the sample if you're unsure how to put everything together.)
