

Dear Parent or Guardian:

It is our pleasure to inform you that through a grant from Clairol, The Maritime Center will be offering a hands-on afterschool program for just girls in grades 5-8. We have the wonderful opportunity to offer it to 30 girls (2 classes of 15) who will be selected by lottery. The 6-week program will run on Wednesdays, from 2:15-3:15, in the Science lab with Ms. Perry and Ms. Uhlman. The dates are as follows:

Oct. 28

Nov. 4

Nov. 18

Dec. 2

Dec. 9

Dec. 16

Please sign your daughter up only if she is available to attend all 6 sessions. If this sounds like something your daughter would like to do, please fill out the bottom of this form and send it in to her teacher by Friday October 16<sup>th</sup>. The first 30 responses will be taken, so get it in early!

Thank you,

Ms. Perry

Ms. Uhlman
