

Summer, 2009

Dear Parents,

Enclosed you will find the summer reading and math packet, and a supply list for your soon to be "fourth grader". Each student is required to select and read four chapter books. The enclosed summer reading packet provides further details in regards to expectations and directions.

The summer math packet is also required for incoming fourth graders. The packet covers material taught in third grade and vital for fourth grade. It is required that your child to have mastered his/her multiplication and division facts up to twelve (12). They also must master their addition and subtraction facts. They will be tested based on the packet at the beginning of the school year.

The summer reading and math packet are due **Wednesday, September 3, 2009**. These will be graded and will be the first marks for the first marking period. Enjoy your summer and we look forward to working with your child this coming fall.

Sincerely,

The Fourth Grade Teachers

Summer, 2009

Dear Parents,

Welcome to the wonderful world of fourth grade. We are looking forward to a terrific year. We know it will be filled with lots of learning, laughter and love. Below, is a list of supplies your child will need by September 3, 2009.

1. 9 two-pocket (sturdy) folders
2. 2 five subject notebooks
3. 1 assignment pad (from school store)
4. pencils and erasers
5. erasable pens-blue, black and red
6. highlighters
7. crayons
8. 2 glue sticks
9. pencil or art box to keep in desk
10. 1 pocket thesaurus
11. 1 pocket dictionary
12. 1 Spanish/English dictionary
13. Loose-leaf notebook paper (100 count)
14. 3 x 5 note cards and a storage container to put them in
15. 1 roll of paper towel for cleaning
16. 1 box of tissues to be shared with class
17. 2 composition books (for Spanish and Grammar)
18. Container of Baby Wipes

The students may also have magic markers and/or color pencils that can be used for art or class projects. Students **MAY NOT** bring white out to school. Have a wonderful summer and we look forward to seeing you in September.

Sincerely,

Fourth Grade Teachers
